## WHO WE ARE

GGBLue is redefining modern sportswear with a refined approach to activewear for women. Designed to move with you on the course, at the club, or beyond. Our collections blend technical performance with elevated style and feminine sophistication.

Founded with the vision to create apparel that empowers women to feel confident, capable, and comfortable, GGBLue is led by a team of women who understand the balance between form and function. From moisture-wicking, cooling fabrics to thoughtfully tailored silhouettes, every piece is crafted to support your lifestyle with grace and ease.

We believe in creating timeless wardrobe staples that perform beautifully and wear effortlessly. Inspired by movement, designed with intention, GGBLue invites you to experience sport and style without compromise.

## GEORGIA ICE LONG SLEEVE

- UPF 50++
- ANTI-MICROBIAL
- ANTI-BACTERIAL
- REDUCES BODY TEMPERATURE BY 3°

## ICE PERFORMANCE FABRIC

Our Ice Performance Skorts and Tops are made from moisture-wicking, breathable, and ultra-lightweight fabric that pulls heat and sweat away from your skin.

This advanced temperature-regulating fabric delivers a long-lasting cooling effect, keeping you comfortable from your first swing to your final putt.

With UPF 50+ sun protection, each piece shields you from harmful UV rays while offering full coverage in high-exposure areas like your arms and shoulders. Designed with thoughtful details like elevated necklines for added sun protection and modern style, our tops blend fashion and function seamlessly.
